Hi Jerry,

Thanks so much for chatting today. As discussed, Region 8 is requesting that Stephanie Wenning deploy to Durango, Colorado to assist with the Gold King Mine incident. Specifically we'd like her help in the environmental unit, working with Deb McKean on data related items (and whatever else Deb needs).

She can contact Philip Werner for assistance with making travel arrangements at (720) 883-1055.

Thanks for your help!
Regards, Gina
